

Wedding Packages

Package A

Pre-wedding shoot before the Ceremony to the first dance. £2500.00

Two or three months before your wedding day, we will meet to go through the finer details and schedule of your day. On the same day we will take your pre-wedding shoot image, we can either set up a studio in your house or go to a nearby location for your photo shoot, this helps to ensure that on your big day you are relaxed and confident with your choice of photographer.

After your photo shoot you will be allocated a personal password, which will enable you to view your photographs online at your own leisure and select your favourites.

On your wedding day I will create a bespoke collective frame with a large mount for your guests to sign or add their own personal message on your wedding day. There will be a selection of formal and informal images, before the ceremony, with the bride and then the groom, plus reportage/candid shots throughout your day.

The package also includes–

- *40 x 6x4” or 7x5” Metallic prints in either B&W or Colour or a combination*
- *A bespoke collective frame for guests to sign on the day*
- *A 30 x page bespoke leather bound album with embedded images, with a selection of B&W or Colour images throughout your album or a combination. (Your album can have as many as 100x images)*
- *Plus a complimentary 20x16” Metallic print in either B&W or Colour.*

This is like no other wedding photography package.
